

E.G.S. Pillay Engineering College

(Autonomous)

Nagapattinam – 611 002

IEEE Student Branch (Chapter ID: STB98301)

Vision

To be a leading centre of excellence in engineering education, nurturing innovation, research, and professional development, and producing graduates who are well-equipped to contribute to the advancement of technology and society.

Mission

1. **Technical Proficiency:** Organize regular events and workshops to address the latest technological advancements, ensuring our students stay at the forefront of the engineering field.
2. **Membership Growth:** Inspire more students to join IEEE and actively participate in the organization's activities, fostering a vibrant and engaged community.
3. **Professional Development:** Conduct technical awareness programs and seminars aimed at young professionals to enhance their skills and prepare them for successful careers.
4. **Innovation and Collaboration:** Promote a culture of innovation and teamwork, encouraging students to collaborate on projects that leverage technology for societal betterment.

Policy Statement

The IEEE Student Branch at E.G.S. Pillay Engineering College empowers future engineering and technology leaders. We offer a platform for technical growth, leadership development, and industry exposure, bridging the gap between academia and industry. Governed by a student committee with faculty advisor guidance, we focus on advancing technology, inspiring future engineers, and preparing members for successful careers through workshops, seminars, and industry interactions.
