The following discussions and recommendations have been made in this meeting:

- ❖ Dr. S. Ramabalan, Principal welcomed the members present in the meeting. He also introduced the members nominated by the Anna University, Chennai and expert representatives from outside the college. Also he presented the action taken for suggestions made in the previous meeting.
- ❖ Elaborate discussions made on action taken for previous meetings' suggestions.
- ❖ **Suggestions of 9th AC meeting held on 27/07/2022:**
 - Suggestion 1: A correction is to be made in our curriculum for CSE, IT and ECE programmes. Instead of the subject: Mini project, 'PROFESSIONAL READINESS FOR INNOVATION, EMPLOYABILITY AND ENTREPRENEURSHIP' subject can be added.
Action Taken: Suggestion is carried out. Nalaya thiran project is completed. Now Autonomous colleges are excluded from that project.
 - Suggestion 2: Suitable amendments need to be made to incorporate the changes to be done in the Regulation EGSPEC-R2019 as per the recent instructions from the COE, Anna University, Chennai.
Action Taken: Suggestion is carried out. Necessary amendments are added to Regulation EGSPEC R2019.
 - Suggestion 3: Course Outcomes for the all the courses have to be included.

Action Taken: Suggestion is carried out. COs are included for the all the courses in the syllabus.

- Suggestion 4: A Topic: “Further Reading” in all syllabuses can be changed into “case study”.

Action Taken: Suggestion is carried out.

- Suggestion 5: The course life skills – “comprehensive viva” can be designed with technical topic.

Action Taken: Suggestion is carried out.

- Suggestion 6: Anna University has planned to change curriculum and syllabi of UG Degree as Minor degree and Major degree. So it is advisable to follow Anna University while drafting syllabus. (E.g) Elective Subjects can be grouped on *Internet of Things* (IOT). So a minor degree named as IOT.

Action Taken: Suggestion is carried out. Now in new Regulation R2023, Minor degree is introduced.

- Suggestion 7: In B.E. (EEE) syllabus – Course Objectives and Course Outcomes are to be inserted.

Action Taken: Suggestions are carried out.

- Suggestion 8: Internship duration can be increased that helps the students to correlate theory with practical.

Action Taken: Suggestion is carried out. Students may go for 6 weeks internship.

- Suggestion 9: More attention can be given on enhancing students skills on Python, Soft skills and presentation.

Action Taken: Suggestions are carried out. Python programming is mandatory for all students. Soft skills courses are included in each semester.

- Suggestion 10: More importance needs to be given for students projects.

Action Taken: Suggestion is carried out. In new Regulation R2023, Eighth semester is fully for doing project work. Also 10 credit points are given to the project work.

- Suggestion 11: Student must be clear about the software used for relative grading system and normalization procedure.

Action Taken: Suggestion is carried out. Information is given to all students through a circular and a class discussion.

- Suggestion 12: Get a feedback on Survey from industry people and employers. According the suggestions, Curriculum and Syllabi have to be updated. Recent software version has to be taught to the students.
Action Taken: Suggestions are carried out. We are continuously getting feedback from Industry people, our curriculum and syllabi are enhanced with new softwares.
- ❖ Elaborate discussions are made on
 - First year curriculum and syllabi of all UG programmes.
 - Final year curriculum and syllabi of “B. Tech. – Computer Science and Business Systems”.
 - Second year curriculum and syllabi of “B. Tech. – Artificial Intelligence and Data Science”.
- ❖ Dr.K.Ilamparuthi sir gave the following suggestions:
 - Proper procedure and guidelines have to be framed for implementing life skill courses - Activity points scheme – like students grouping, Mentor assignment, evaluation, etc.
 - Weightage to English language courses has to be more. In second semester, English language also can be offered as a foreign language subject.
 - In the End semester exam question paper, more no. of MCQs can be asked.
 - ‘Python programming’ is to be offered as a core subject for all students. ‘C programming’ is optional or additional.
- ❖ Dr.S.Sudha madam gave the following suggestion:
 - More no. of Elective courses can be offered.
- ❖ Dr. K. Palanikumar sir gave the following suggestions :
 - Total no. of credits is to be same.
 - By removing MCQs, the quality of question paper should not be reduced.
- ❖ Dr. S. Baskar sir suggested the following point:
 - By removing MCQs, the quality of question paper should not be compromised.
 - As per the current Regulations, In case of theory cum lab courses, suppose a student got fail in theory part, then he or she should attend both theory and Lab exams in next semester. But, lab mark can be retained for next attempt, instead of asking the student to reappear for the lab exam.
 - More no. of Elective courses can be offered in each Vertical at least 8 subjects.
- ❖ Dr. J. Ramkumar sir suggested the following point:
 - Finalize the list of courses to be offered for getting a Minor Degree in all programmes.

E.G.S. PILLAY ENGINEERING COLLEGE

(An Autonomous Institution, Affiliated to Anna University, Chennai)

Sir,

While approving the minute's of 10th AC meeting, I would like to bring to your kind attention that the course on Steel Design to be included in the place of Engineering Geology. The Engineering geology course may be introduced as one unit in soil mechanics course by including very important topics by focusing on the contents required by students of civil engineering.
