Dear sir,
I attached Anna University CBCS Regulation R2017. I request you to go through the CBCS Regulation of Anna University. Particularly refer the points- 4.7(Conducting one credit and two-credit courses by the college), 4 (regarding allowing students for one full semester project work in industry), 12.7 (considering online course instead of elective course).
Same points are present in our Regulation. So I think no need to change them.
With kind regards
