The Alumni Association / Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services.

E.G.S. Pillay Engineering College and its Alumni association jointly believe in creating and maintaining association with its alumni. The Alumni Association provides an interface for establishing a link between the alumni, staff, and students at the institute. E.G.S. Pillay Engineering College alumni are currently working at various positions all over the globe and proving their mettle in all spheres of management. The purpose of an Alumni association is to foster a spirit of loyalty and to promote the general welfare of organization. Alumni associations exist to support the parent organizations goals, and to strengthen the ties between alumni, the community, and the parent organization. Our Alumni Association works for the overall development of students as well as the institution. It helps our institution in terms of academics, placements of students, career guidance and technological guidance. It has been duly registered as a Society under the Societies Registration Act. Some of our alumni are industrialists; they share their knowledge and expertise with the students. Provide guidance on job career and technical skills from the experts of various fields to the students. Alumni Association provides information about the job opportunities available in their fields. They impart their experience with students by arranging motivational lectures. The member of the Alumni association contribute in the following manner · Feedback on curriculum · Teaching learning process · Bridging the gap between industry and academia · Important suggestions about changing trends about business and industry · Interaction and mentoring the students.

ALUMNI ASSOCIATION

Alumni Association of E.G.S. Pillay Engineering College is functioning from the year 2000; EGSPEC Alumni Association maintains a life-long connection between the Institute and its alumni. The Alumni Association works to connect alumni for supporting current students and build an unforgettable Institute experience through a diversity of events, programs and services. College is the place where I got a chance to learn more and more in my life. Its freedom part of my life, where I had no fear, well educated, friendly, and distinguished lecturers. In another term, I would say as mentors. Friends have become family and they made me realize and develop my skills, self-confidence, discipline and that made me who & what I am today. I will be always grateful for my college life and its unforgettable memories.

SARAVANAN A
